

At Waikino School we value: Respect for self and others, Kindness, Honesty, Trust, Reliability, Humour, Participation, Co-operation, Encouragement, Friendliness, Being Positive, Creativity and Responsibility.

At Waikino School I am expected to be in control of myself and make good choices.

If I don't make a good choice about my behaviour then...

I will be asked to think about what happened:

What did I do?  
What rule did I break?  
What choices should I have made?  
How will I make the situation better?

If I continue to make bad choices about my behaviour then...

I might be given a timeout and asked to think again...

I might have to meet with my teacher and have a consequence for my behaviour

Mum or Dad or my caregiver might be asked to meet with me and my teacher and have a consequence for my behaviour

I might be asked to meet the Principal and face serious consequences for my behaviour
